

Snug Harbor, J.J. & Susan -

Thank you so much for providing a wonderful place for entire families to vacation.

Aside from the fact that you have such a well kept Inn, we appreciate your acceptance and love for pets. Robbie, Wiley and I have had a wonderful time here and look forward to future visits. Keep up the good work!

T.J.:

We just wanted to let
you know how much we
enjoyed our stay at
Snug Harbor Inn.

The weather, room, view,
breakfast, + hospitality were
all the greatest. Our
stay just was too short -
We will plan to come again
next year.

Again, thanks for being
such a wonderful host -
watch those Canadians !!

Sincerely,

Russell + Ginny Hill

Dear T.J. & Sue,

Our part in Chapter Two is over & we are already experiencing the post-performance blues. Every scene was a pleasure, made even more so by our fellow actors. Of course having you both as director ensured that everything ran smoothly.

Thankyou,
Ron, Mi, Sara, Shanna

P.S. I can't find the receipt you gave me on Monday, so if the border folk ask us for one, you may get a phreacall asking you to verifyth our story. Unlikely but one never knows. J/in
